5:30-7:30 p.m.

*Location: The Home of Melissa Neiderman**

Enjoy an evening with best-selling novelist, Andrew Neiderman, who has been the ghost writer for V.C. Andrews for over 36 years. Neiderman has just released the long-awaited story of V.C. Andrews, herself, in *The Woman Behind the Attic*. The biography reveals an intimate portrait of the famously private V.C. Andrews – featuring family photos, personal letters, and many secrets of her own. Lifetime Network’s production of *Flowers in the Attic* broke records, garnering 6.1 million viewers for the premiere. As a result, Lifetime has and will be producing many more films based on the V.C. Andrews’ series. Find out about the exciting future for the V.C. Andrews franchise at this PSWIFT event.

A limited number of tickets include a copy of the book, which will be personally autographed by Neiderman at the event – while supplies last!
